“Santa Susana is one of three rural towns in Simi Valley that began at the turn of the 20th century. The town derives its name from the surrounding mountains, Sierra de Santa Susanna, and grew up alongside the railroad depot built by the Southern Pacific Company in 1903. The history of Santa Susana can be traced back to the Chumash Indian village of Ta’apu and a Spanish land grant, El Rancho Simi....”

About the Author: Bill Appleton is a fourth-generation descendent of a Simi family and is actively involved with the Simi Valley Historical Society. The images used in this volume have been selected from his personal collection, the historical society files, and numerous other private collections and historical archives.
